

AM ANFANG WAR...

An abstract, expressive painting in shades of red, teal, and black, featuring a guitar as the central motif. The guitar is rendered in a dark, almost black silhouette, with its body and neck clearly defined against the vibrant, swirling background. The background consists of bold, gestural brushstrokes and splatters of color, creating a sense of movement and energy. The overall style is reminiscent of mid-20th-century abstract art.
